## Organizational information

Location of Activity	Torino
Date of Arrival	7/1/2014
Date of Departure	7/10/2014
Programme description	<p>The aim of this project is to make aware and encourage the youngsters to think about topics like the critical consumption, the sustainable development and to link the activities with a practical approach of environmental education. Our life style causes impacts at local, national and global level but sometimes the solution seems to be so far from our real possibility.</p> <p>Starting from different point of view (6 country are involved in the project), we will work on practical activities as agriculture, cooking, learn how to recycling paper and plastic in our daily life.</p> <p>After all, learning by doing it's the easiest way to be able to repeat it in the future.</p> <p>The topics of the exchange will be developed with no formal learning activities, group activities, simulation and role playing games on environmental protection, practical workshops of cooking and recycling, creation of social campaigns, dance, video and cultural visits.</p>
Accommodation	Youth Hostel
Special needed Equipement	
Activity languages	English
Extra programme available?	no

## Participant information

Age of participants	18-25
Target group	<p>The exchange is addressed to youth workers/educators members of associations actively involved in local and international educational initiatives. In real fact all people working with interactive methods and in the framework of Non Formal Education.... but certainly strongly motivated and interested in the topic!! We expect that the members of the national groups will have concrete possibilities to implement in their respective living places the contents of the exchange.</p>
Total number of participants	36
Group size	5+1

## Organizational information

Location of Activity	"FILOXENIA", D. Solomou 1, 20200 Kryoneri Korinthias, Greece
Date of Arrival	5.5.2014
Date of Departure	26.5.2014
Programme description	<p>Name of the project: "AGROroads 2"                      Project: Group EVS                      Participants: total 12 persons (2-3 person/country, basic level of English recommended)                      Profile of the youth: Youth with fewer opportunities, for example minorities/migrants, unemployed/low salaries, temporary jobs; lack of self-confidence; people who have never traveled; low education; learning difficulties; from disadvantaged areas, geographical isolation and rural areas; low/nil English level, though it would be recommended that one of the two country representatives has command of English.                      Description of the project:                      The village Kryoneri is in the centre of the Corinthian province, at the same distance between sea and mountains. It is built like an amphitheater, at 740 meters of altitude and has a panoramic view above the Corinthian Gulf. Mount Vesiza (1.200 m.) overlooks the village and constitutes the natural border with the plain of the Stymfalía lake. From this mountain, the river Elisson spreads and crosses Kryoneri and the evergreen plain, before flowing in the Corinthian Gulf, towards Kiato.                      During this Group EVS, young people will help out on:</p> <ul style="list-style-type: none"> <li>· promotion of agrotourism;</li> <li>· developing footpath's – AGROroads network around Kryoneri;</li> <li>· cleaning environmental footpaths around Kryoneri;</li> <li>· making footpath signs, building wood constructions for footpaths (banks, bridges, etc.);</li> <li>· developing botanic garden and farming projects.</li> <li>· mosaic workshop</li> </ul> <p>The project programme will also include exciting activities such as:</p> <ul style="list-style-type: none"> <li>- get to know our food culture, Agro-culture</li> <li>- Bio-food</li> <li>- Greek dances</li> <li>- mountain biking</li> <li>- a lot of activities to relax and to get to know each other.</li> </ul>
Accommodation	Youth Hostel "Elisson" (4-5 bed rooms) <a href="http://xenon.elisson.gr">http://xenon.elisson.gr</a>

## General information

Name of Activity	Social issues through musical
Kind of Activity	youth exchange
Date of Activity	second half of Jun or first week of July 2013

## Financiation

Do you apply for Youth in Action?	yes
Will it take place without EU-funding?	no
Costs with YIA-funding	travel cost according ruelles of new programme + 50 euro
Costs without YIA-funding	

## Organizational information

Location of Activity	Košice - Kysak
Date of Arrival	
Date of Departure	
Programme description	A Youth exchange to discuss various social issues (to be specified later) through music and theatre. Musical theatre has been tackling problematic affairs for ages. We want to bring young people together to create a performance on selected issue and learn about it in funny and creative way. Participants don't necessarily need to have aptitude for performing, however, positive attitude is welcomed. It would be also nice and practical if some of participants could play some instruments and could sing a bit.
Accommodation	2-3 bed rooms
Special needed Equipement	will specified later
Activity languages	English
Extra programme available?	no

## Participant information

Age of participants	16-19
Target group	motivation for creativity on the field of music, theatre
Total number of participants	35
Group size	5 regions 5+1

Date of Departure	August / 16 /2014
Programme description	Who wants to use his hands by hand, this is the place! We want to build a house for youth groups and design the garden. This leaves no one alone. Craftsmen take care of everything you need for this and will give instructions to you. Scouts take care of the common day life in the work camp inclusively the cultural programme. We will work indoor and outdoor in small teams, so that everyone can learn something. It will therefore move energetically and cross-culturally diverse. Furthermore we want to develop ideas for a good youth work in small towns and in the countryside. We look forward to those who want to join this!
